Dear Mr. Black:

I am writing in connection with the Sand Park Landfill located in Loves Park, Illinois. A recent I.E.P.A. Press Release concerning the proposal to include the Sand Park Site on the State Remedial Action Priorities List named you as the community relations coordinator for the site.

I would appreciate it if you would send me a copy of the HRS "Score Sheet" for the site and a copy of any site investigation reports, FIT Reports, Preliminary Site Investigations, or other reports dealing with conditions at the site. If there is a charge for copying, please let me know and I will send you a check.

I would also appreciate it if you would let me know the status of the proposed update and when the proposal is expected to become final.

If you have any questions, please feel free to give me a call. Thank you very much.

Very truly yours,

John Holmstrom III
